(1) Official car figures include Belgian GM assembly.

(2) Official figures take account of Swedish manufacturers world production; in this report, we only use the vehicles produced in Sweden, and the vehicles for which Volvo Trucks does not specify the country of production..

Estimate

As of 2011, some EU countries do not give HCV and Heavy buses figures any more.

So we deem it too risky to communicate estimated figures, which will not be confirmed in the near future.
